Hi Matthew,

In follow up to my telephone call to you yesterday (February 25) and our follow up discussion today (February 26), it is my understanding that you are seeking access to the following:

Lists of computer contracts, payment records, emails, proposals, software and database licensing agreements and/or administration and contribution agreements with private contractors employed by the Investment in Affordable Housing Provincial Program for the fiscal year 2018-2019, as well as proposal contracts with any new private contractors for the upcoming National Housing Strategy which officially launches on April 1, 2019.

Please confirm if this is correct. When we receive your confirmation, we will resume processing your request.

Thank you,
